Faculty & Staff: 122 - Enrollment: 904

To the Class of 2005:

Congratulations on successfully reaching a milestone in your educational career. Take time now to share your current achievements with your family and friends.

When you entered Middleborough High School as freshmen, September 11, 2001 was just a date on the calendar, but has become an event that changed our world forever. As you are about to leave as seniors in 2005, you are entering a world of constant change and uncertainty, yet one with vast opportunities.

The entire Middleborough school community is very proud of each and every one of you, your accomplishments and your contributions as a member of the Class of 2005 at Middleborough High School. As you plan for your future, don't be afraid to dream. Believe in your abilities! Dare to make the most of every challenge. On behalf of the school community, I wish you luck as you work toward achieving your dreams.

Sincerely,

A handwritten signature in cursive script that reads "Robert M. Sullivan".

Robert M. Sullivan, Ed.D.
Superintendent of Schools

Dear Members of the Class of 2005:

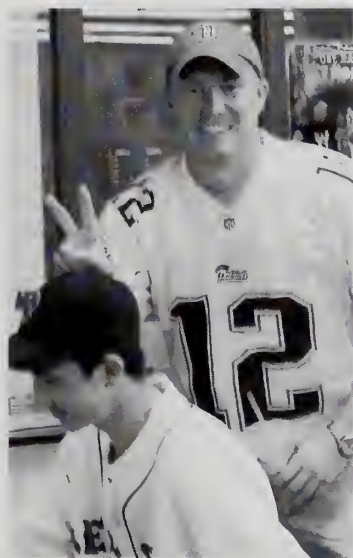

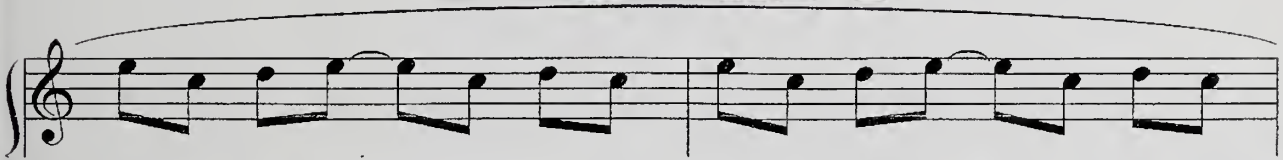

I want to thank you for being such an accepting group of students. I am proud to say that you are the first class that I have had the pleasure to be the principal for all four years, and I could not think of a better group to call my "own". You have been asked to endure a great deal of change and you have met and exceeded the school's expectations. It is while you were here that we coined the term, "Something Special is Happening Here." Because of your efforts and actions at Middleborough High School, our goal is now "Making it Even Better." As you leave MHS remember that you can always come home, our doors will always be open to you. I believe that you are truly ready to excel in life and now it is time for you to show the world what MHS students are made of. Don't be a stranger, and let us know of all your great accomplishments.

Sincerely yours,

Dr. Robert Baldwin
Principal

Charles Connell

After more than 30 years at Middleborough High School, Mr. Connell will be retiring from MHS. His career began with his graduation from Coyle High School in 1953. After high school,

he joined the army. While serving his country, he traveled all over Europe playing basketball and baseball. He later attended Durfee College of Technology as an engineering business major. Mr. Connell coached the Bishop Stang High School football team, leading them to three state championships. His experiences with the students inspired him to pursue a career as a high school teacher and guidance counselor. He taught at Bishop Stang for twelve years, before coming to Middleboro High, where he has made many significant contributions. In addition to providing guidance to numerous high school students over the years, he is also the director of the Community Evening School Program. His retirement plans include golfing, spending time with his family and continuing to help students at night school. We at Middleborough High School would like to thank Mr. Connell for his many years of service and wish him all the best in his retirement. He will be greatly missed!

Live your life the way you want, it's yours, right?

My nickname is Stretch because I can stretch out my skin, especially my nose. I love being a senior because there doesn't seem to be as much pressure put on me than when I was in a lower grade. Also because I can do crazier things in school because I have opened my shell completely since my freshman year. I play soccer in school, and out, and go fishing with friends and family.
My great advice is: Never be put down by others. If you keep yourself in good spirit you will never get hurt.

One hundred words isn't nearly enough room to scratch my green, seven-year-old thoughts in to this big book of frozen memories. I've written eight of this, and I still can't untangle the words in my mind.
